

## Invotek Polymer Solutions will be joined by partners KraussMaffei and Motan-Colortronic to exhibit at Plastics Live Ireland 2025

Invotek Polymer Solutions, official agent in Ireland for KraussMaffei and Motan-Colortronic, will be exhibiting at Plastics Live Ireland 2025. Taking place on 26–27 November 2025 at the RDS Arena, Dublin, Plastics Live Ireland aims to bring together Ireland’s leading plastics processors, suppliers and OEMs with a future-focused trade event.

As Ireland’s only dedicated plastics manufacturing exhibition, Plastics Live Ireland brings together machinery suppliers, materials specialists, service providers, and OEMs from across the plastics and polymer supply chain to connect, collaborate and grow within Ireland’s dynamic plastics sector.

### Local representation and global expertise

Visitors to the Invotek Polymer Solutions stand (D14) will have the opportunity to meet representatives from all three companies, including Richard Mumford, Sales Director at KraussMaffei UK, and Peter Ils, Regional Sales Manager from KraussMaffei, based in Parsdorf.

The stand will be managed by Andrew Hitchcox, KraussMaffei’s official agent for Ireland, who also represents Motan-Colortronic with his company, Invotek Polymer Solutions.

While no machinery will be displayed on the stand, the Ireland and UK KraussMaffei teams will be available to discuss the full KraussMaffei product portfolio and the latest innovations in injection moulding, automation, reaction process machinery (PU), extrusion, and additive manufacturing. With the expertise of Invotek Polymer Solutions and Motan-Colortronic also available, stand D14 will be a one-stop location for all your

processing equipment needs.

## Supporting Ireland's plastics industry

We are committed to supporting the market in Ireland, and with over one year since announcing our partnership with Invotek Polymer Solutions, the company is proud to offer local customers improved access to dedicated technical support and sales expertise, backed by the global KraussMaffei network.

The joint presence with Motan-Colortronic further enhances the offering for Ireland's processors seeking integrated, high-performance manufacturing solutions.
